

Healthy Love
When I thought, “My foot slips,”
your steadfast love, O LORD, held me up.
Psa 94:18

And he is before all things, and in him all things hold together.
2Cor 5: 14, Col 1:17

For the love of Christ controls us, because we have concluded this: that one has died for all, therefore all have died. 2Cor 5:14

When healthy love does not successfully emerge and instead selfishness dominates, dependency is frequently the result.

Love is doing what is good regardless of how one feels.

Love is doing what is in the best interest of another and giving of oneself for another. Love is selfless. When we love, we live. When we stop loving, we die. Of course, it is this infection of selfishness that is the complete opposite of true love.

Unfortunately, all nature, each one of us, is infected with the virus of selfishness. Rom 3:23, Rom 6:23

Selfishness is the principle of taking, while love is the principle of giving.

True Love Is Other Centered and Outward Moving!!
